

Certified Fiber Optic Specialist FTTx (CFOS/H®)

Course content

Day	Start	Duration	End	Training modules
1 st day	09:00	90'	10:30	Introduction to FTTx Networks
1 st day	10:30	15'	10:45	Coffee break
1 st day	10:45	90'	12:15	FTTx Architectures
1 st day	12:15	15'	12:30	Coffee break
1 st day	12:30	45'	13:15	PON Protocols
1 st day	13:15	45'	14:00	Lunch break
1 st day	14:00	45'	15:15	Installing FTTx Networks
1 st day	15:15	15'	15:30	Lunch break
1 st day	15:30	90'	17:00	Hands On – FTTH Installation
2 nd day	09:00	90'	10:30	FTTx Design
2 nd day	10:30	15'	10:45	Coffee break
2 nd day	10:45	90'	12:15	Best practices to FO Design
2 nd day	12:15	15'	12:30	Coffee break
2 nd day	12:30	90'	14:00	Testing FTTx Networks
2 nd day	14:00	30'	14:30	Lunch break
2 nd day	14:30	90'	16:00	Hands on GPON Measurements
2 nd day	16:00	60'	17:00	CFOSH® - Certified Fiber Optic Specialist Exams

The certification verifies an individual's knowledge and skills in designing, installing, and maintaining fiber optic FTTx systems.
